

GENERAL INFORMATION

FIRST VIENNA CONFERENCE ON HIGHER EDUCATION LAW AND THE MANAGEMENT OF SCIENCES

The Institute of European and International Higher Education Law of the Sigmund Freud Private University announces an international conference to be held in Vienna on 23 and 24 February 2018 on:

“The Establishment of Universities and University Branches in the Member States of the European Union”

The conference will examine the framework for the establishment of universities and university branches in the Member States of the European Union under international, European and domestic law. General presentations will deal with the legal regime for the movement of professors under aspects of residence law and social security law and the recognition of university examinations and degrees. Country reports will focus on the situation in various Member States of the European Union.

The speakers are university professors of law and other outstanding experts of higher education law from all over Europe.
